OFFICE OF THE REGISTRAR

October 12, 2026

Dear Student Name, ID #,

You have been identified as a potential candidate for graduation for **Fall 2026-27**. You are **required** to complete the online application for graduation by the **deadline of October 25, 2026**; otherwise, you will not graduate. You are encouraged to apply as soon as you receive this message.

The degree evaluation* for your academic history will not be available until you apply to graduate, finalize any needed petitions, and your record has been evaluated by the graduation unit. You may expect it to be reviewed within two weeks of your final grades being posted. We encourage you to let your instructors know that you are a potential graduate and need your grades posted as soon as possible after the final exam or project.

***Unofficial report, only intended for use as a general guide.**

Please follow the instructions posted [here](#) to apply.

Important Notes:

1. It is mandatory to upload your legal document that matches your nationality at AUB when applying (passport, ID, or Lebanese civil status record, whichever is applicable) in PDF or JPEG format. Please do not use HEIC format as it is not supported by the system.
2. In case of any discrepancy between your name in English on Banner and the official passport/ID used, please send an email to graduation@aub.edu.lb with your change of name request. There is no need to wait for your name to be corrected to proceed with the application. Any name change made after submission will be automatically reflected on the received application.

3. Students who do not complete their Arabic name properly as per the exact spelling on the uploaded legal document will risk delays in the process and in receiving the degree.
4. If you do not graduate by the end of Fall 2026-27, you can benefit from the option of rolling your application to the Spring 2026-27 term; thus, there is no need to apply again.
5. Students must select the proper program when applying. If there is more than one program listed, please be sure to select the program you are currently enrolled in.
6. Candidates working for more than one degree should apply twice **only if** the types of the degrees are different (BA and BS, BEN and BS, BA and TD, etc.) **and/or** the programs belong to separate Faculties. That is, students working for double majors of the same degree type and the same faculty should apply only once.
7. You may monitor the status of your application by logging into the AUB Nexus. To check the details of your application, click on the link "View Application" within the "Apply to Graduate" card.

If, for whatever reason, you are not planning to graduate in the fall, you can ignore this email.

We wish you a successful semester.

Kind regards,

Office of the Registrar
