**February 23, 2026**

Dear Faculty,

Please be informed that students who did not meet their financial obligations to the University have been dropped from their registered courses.

We kindly ask that you review your current class rosters and ensure that only students officially listed are attending and participating in your classes. This step is important to maintain accurate academic records and compliance with institutional policies.

If you identify any discrepancies or have questions regarding enrollment status, please contact the Office of the Registrar.

Thank you for your cooperation.
