OFFICE OF THE REGISTRAR

August 21, 2025

Dear AUB Students,

Kindly note that the payment of fees for the Fall 2025-26 term started on August 6, 2025 for continuing students and will start on August 25, 2025 for new students and runs through September 12, 2025. Between September 15, 2025 and September 19, 2025, you may pay your fees with a late payment fee of \$100. For more information on payment of fees follow this [link](#).

To apply for a deferral of your fees, you must complete this [form](#) and submit it to the Students Section of the Office of the Comptroller. Instructions are on the form.

Students who have neither settled their fees by the deadline nor received a deferral for their fee payment will have their courses deleted and will no longer be authorized to attend classes.

Please plan accordingly.

Kind Regards,

Office of the Registrar
