OFFICE OF THE REGISTRAR

March 12, 2026

Dear faculty,

We hope this message finds you and your loved ones well and safe.

In light of the recent escalation, all instructional activities requiring student presence on campus, including exams, will be suspended through Friday, March 20. Online instructional activities should continue during this period.

Please make sure to communicate actively with your students, especially regarding any changes to course requirements.

We acknowledge the additional burden this situation imposes on you and appreciate all your efforts.

We will keep you updated.

Kind regards,

Office of the Registrar
