OFFICE OF THE REGISTRAR

March 12, 2026

Dear students,

In light of the recent escalation and with your wellbeing in mind, all instructional activities requiring your presence on campus, including exams, will be suspended through Friday, March 20. Online instructional activities will continue during this period. Please pay attention to communications from your course instructors.

Medical and nursing students should continue to follow the specific instructions provided by the Deans' Offices at the Faculty of Medicine and Rafic Hariri School of Nursing.

We will keep you updated on a regular basis as the situation develops.

Kind regards,

Office of the Registrar
