OFFICE OF THE REGISTRAR

February 12, 2025

Dear FIRST_NAME LAST_NAME ID,

You have applied for graduation in the Fall 2024-25 term, and our team has been working diligently with you and your faculties/schools to evaluate your degree in preparation for the Senate vote on February 26, 2025. This reminder applies to you **only** if you expect to graduate with a minor.

If you have already finalized your minor through a petition to the Faculty/School of your minor, and you see it on your student web transcript, you can ignore this email. There is nothing further for you to do in this regard.

This email is a reminder that the **deadline for our receipt of your approved minor petition is extended until February 17, 2025** instead of February 12 as has been posted on our [website](#) during the current academic year.

If you miss the deadline, you will not be awarded your minor because we can no longer add it once we enter your degree.

Please act accordingly.

Kind regards,

Office of the Registrar
