OFFICE OF THE REGISTRAR

December 22, 2025

Dear AUB Students,

Kindly note that the payment of fees for the Spring 2025-26 term starts on January 2, 2026 for continuing students and on January 12, 2026 for new students and runs through January 23, 2026. Between January 26 and January 30, 2026, you may pay your fees with a late payment fee of \$100. For more information on payment of fees follow this [link](#).

To apply for a deferral of your fees, you must complete this [form](#) and submit it to the Students Section of the Office of the Comptroller. Instructions are on the form.

Students who have neither settled their fees by the deadline nor received a deferral for their fee payment will have their courses deleted, will no longer be authorized to attend classes, and may not be allowed to enter campus.

Please plan accordingly.

Kind Regards,

Office of the Registrar
