Signature Student Initiatives.

AUB Outdoors

CRN: 5146

AUB Outdoors fosters an empowering community that champions unity in diversity. Through vibrant cultural celebrations and world-class entertainment, we create unforgettable experiences that bring together students, alumni, faculty, and people from diverse backgrounds. As a platform designed for students by students, we cultivate philanthropic values by donating some proceeds towards financial aid for peers facing adversities, making quality education accessible to all.

AUBMUN Conference (previously known as BEYMUN)

CRN: 5072

The AUBMUN Conference is an annual Model United Nations event at the American University of Beirut (AUB). Simulating multilateral diplomacy inspired by the United Nations, it offers students a platform to debate global issues, develop organizational skills, and engage in cultural and social initiatives. Both university and school participants refine their debate abilities while networking, negotiating, and collaborating with peers, gaining valuable insight into international affairs and diplomacy.

Campus Yearbook

The Yearbook office is more than just creating the Yearbook. We have five teams including the Business Team, Web and Social Media Team, Photography Team, Editorial Team, and Graphics Team, who each share an equally important role. We work together to create the final Yearbook and to hold various events throughout the year. The two most important events are the Fall and Spring Photoshoot that are held at the end of each semester for the graduating students and which is full of fanfare and fun. Don't pass unseen, AUB Campus Yearbook Team

INSTAGRAM: @aubyearbook

Rally Paper

CRN: 5144

The AUB Rally Paper is a yearly competition that provides a unique opportunity for students to push their limits and discover new areas of Lebanon. This event is not only a great opportunity for the teams to showcase their skills, but also a chance for the NGOs to reach a wider audience and raise awareness about their cause.

Change Starts Here

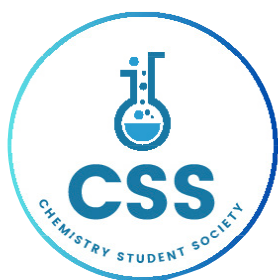

CRN: 5128

"Change Starts Here is an independent student club at the American University of Beirut that aims to promote student representation, transparency, accountability, and meaningful engagement within the AUB community. Through student initiatives, discussions, awareness campaigns, and community engagement, the club empowers students to voice their concerns and contribute to positive change.

A key part of our mission is to foster a comfortable, inclusive, and respectful campus environment where students can participate freely without political pressure or partisan influence. We believe university elections should be centered on students, their ideas, and their qualifications, rather than political affiliations, allowing for a healthier and more constructive student community. The club welcomes students who are passionate about leadership, student rights, civic engagement, and creating meaningful change."

Medical Students Society

CRN:5032

The Medical Students Society (MSS) continues to serve as the heart of student life within the Faculty of Medicine, fostering a welcoming and supportive community where students can grow academically, professionally, and personally. Throughout the year, MSS organizes a diverse range of initiatives designed to enrich the medical school experience, from career-focused events such as Mock Interviews and OSCE Mock sessions that prepare students for future clinical practice, to wellness initiatives like Mental Health Day that emphasize the importance of self-care and resilience. Signature events including the MSS Sports Olympics promote teamwork and strengthen connections among students, residents, and faculty, while cherished traditions such as Secret Santa and Secret Valentines bring the community together through acts of kindness and charitable giving. The annual Gala Dinner stands as one of MSS's hallmark events, celebrating the Faculty of Medicine while raising funds to support the clinics under AUBMCares. Through these initiatives and many others, MSS remains more than just a student society, it is a vibrant community that inspires leadership, encourages collaboration, creates lifelong friendships, and leaves a lasting impact on every stage of the medical school journey.
