## MISSION STATEMENT

The American University of Beirut (AUB) is an institution of higher learning founded to provide excellence in education, to participate in the advancement of knowledge through research, and to serve the peoples of the Middle East and beyond. Chartered in New York State in 1863, the university bases its educational philosophy, standards, and practices on the American liberal arts model of higher education. The university believes deeply in and encourages freedom of thought and expression, and seeks to foster tolerance and respect for diversity and dialogue. Graduates will be individuals committed to creative and critical thinking, life-long learning, personal integrity and civic responsibility, and leadership.

## MESSAGE FROM PHILIP S. KHOURY, PHD

*Chairman of the Board of Trustees*

We have just completed another remarkable year at the American University of Beirut (AUB) raising \$75,298,533 (the third highest in AUB history). We are especially pleased to have received gifts from 5,737 donors, setting a new record for AUB. Our university is much stronger than it was just a year ago. In certain ways, we are laying the foundation for future greatness. There are many other ways, however, in which the changes can already be seen—in the increasing diversity of our student body, expanded academic programs, and in new facilities.

None of this would be possible without the continued generosity of our alumni and friends—of each one of you. You are the ones who we proudly recognize in our annual Contributors Report. Since the university was founded 153 years ago, donations from individuals, businesses, and governments have helped AUB grow into the singular institution it is today. Given the current economic climate in the region, philanthropic support is more critical than ever to our continued success.

As chairman of the AUB Board of Trustees, I am especially proud that so many trustees are among our most generous contributors. Our university is enormously fortunate to benefit from the wisdom and experience of this extraordinary group of men and women. They truly lead the way.

Last fall, we had occasion to celebrate the philanthropy of another AUB trustee, Munib Masri. Trustee Masri has been a longtime AUB supporter through his role as trustee, philanthropist, leader, and pioneer. His philanthropy is motivated by

his abiding commitment to the region and its peoples. On September 4th, we inaugurated the Munib and Angela Masri Building with a wonderful celebration of both the building itself and also the Munib and Angela Masri Institute of Energy and Natural Resources that it now houses. This new academic space is central to the continued growth and expansion of the Maroun Semaan Faculty of Engineering and Architecture (MSFEA), enabling its faculty to produce transformative knowledge and technology through internationally-recognized research and design. The Masri Building provides essential space at MSFEA for academic programs, student services, and faculty offices. Even more

importantly, it promotes interdisciplinary interaction among AUB faculty to advance knowledge related to our region.

On May 30, 2019, we marked a singular milestone in the history of our university: the groundbreaking ceremony for the New Medical Center Expansion (NMCE). We were especially honored that His Excellency the President of the Lebanese Republic, General Michel Aoun, joined us for this important occasion. The NMCE is at the heart of the AUBMC 2020 vision and BOLDLY AUB: The Campaign to Lead, Innovate, and Serve, the \$650 million fundraising campaign that we launched in January 2017.

The NMCE will be a place where the people of Lebanon and the Arab world can receive care that is the equal of the best care one can receive at any of the top medical centers in the world. It is an integral part of an extensive multi-year initiative that will unite existing and future components of the AUB Medical Center in a comprehensive and integrated way. It boasts inventive use of materials, sustainable strategies, and a focus on regional context to promote patient-centered care. This focus on patient-centered care will be evident throughout the hospital—in the way in which the space is organized, the signage, the direct access to outside light throughout, the separation between public/visitor and inpatient/service spaces, the many outdoor landscaped spaces, and the views of Beirut, the mountains, and/or the Mediterranean Sea that can be seen from almost every patient room.

It promises to be an extraordinary facility. For me personally, however, what was most important about this historic groundbreaking was that it embodies hope and the possibility of a better future for the people of Lebanon and the region. I truly believe what I said when we launched the BOLDLY AUB campaign two-and-a-half years ago: “If you want to make a real difference in the world—and in your own lifetime see that difference—invest in AUB. And you’ll actually see your investment influence the world. You will see results in real time.”

Thank you for your continued support.

*Philip S. Khoury*

## MESSAGE FROM FADLO R. KHURI, MD

*President*

There are many qualities which distinguish the American University of Beirut (AUB): its history of service and education; the brilliance of its scholars; its dedicated army of staff; its students who represent our hope for the future; an ability to build bridges from Lebanon to the world, and an aspiration to create global relevance and impact. Perhaps most of all is AUB's history of philanthropy.

On December 3<sup>rd</sup>, we celebrated Founders Day—as we do every year. Founders Day 2018 was different, however, because it was also the day that we celebrated AUB's first Giving Day. The timing was not coincidental: we cannot honor AUB's founding fathers without also honoring the practice of philanthropy which was so critical to their success. Before there was a Syrian Protestant College, as AUB was known until 1920, there was a fundraising campaign led by AUB founder Dr. Daniel Bliss. His assignment was to raise \$100,000 to

endow a college of higher learning in Lebanon that would include medical training. In 1863, the first two donors, Mr. and Mrs. William E. Dodge, gave \$15,000 and \$10,000 respectively. Many donations would follow to build AUB.

Given the history of philanthropy at our university and the extraordinary support that we have always enjoyed from our alumni and friends, the response to our first Giving Day should have been no surprise, but it was: we received \$616,822 from 1,051 donors in 26 countries, far outstripping our original goals to raise a total of \$100,000 from 250 donors.

We received a similar response to my announcement that students from the West Bank and Gaza attending AUB under the US State Department's Middle East Partnership Initiative—Tomorrow's Leaders (MEPI-TL) program had been informed earlier that month that as of the end of January, they would no longer be eligible for their

scholarships. This was an unintended and regrettable consequence of a change in anti-terrorism legislation that the US Congress passed on October 3, 2018.

As you can imagine, this news was a shock to our MEPI-TL Palestinian students. We decided quickly that we would find the money that was needed so that these students could continue their studies at AUB until graduation—and to do this without redirecting any of our already considerable financial aid commitments from other deserving and disadvantaged students.

I sent a [message to the AUB community on January 24<sup>th</sup>](#) informing them of the situation and explaining that we needed to raise \$1.2 million to support these young Palestinian students. The response to my message was immediate and generous. We received many financial contributions—both large and small—and were able to exceed our \$1.2 million goal in just three weeks.

This episode—and the response to Giving Day 2018—was a powerful reminder of what an extraordinary community our AUB family is. We have never failed to come together in support of our university and its mission “to provide excellence in education, to participate in the advancement of knowledge through research, and to serve the peoples of the Middle East and beyond.”

We are living in a world of enormous challenges: worsening inequality, massive displacement and growth of populations, failing states and health systems, environmental unsustainability, and threats to personal freedom. We are making changes to ensure that AUB will continue to play a leading role in efforts to meet today's and tomorrow's challenges. We have developed a strategic vision

called VITAL 2030 that captures the priorities that will guide our way forward. These priorities should not be a surprise to you: V – Valuing our community and validating our values; I – Innovating and integrating humanities, technology, and purpose-based education; T – Transforming the university experience for all; A – Advancing a world-class research agenda; and L – Lifting the quality of health and medicine across our region. These are AUB's enduring priorities. They define our university.

Our current \$650 million fundraising campaign, **BOLDLY AUB: The Campaign to Lead, Innovate, and Serve**, will take us a long way—but, I'll be honest with you, not all the way—toward VITAL 2030. We raised \$75,298,533 (the third highest in AUB history) last year and received a record number of donations: 5,737. As of June 30, 2019, we have raised \$487 million—money that is being used to enrich the educational and research experience of our students and faculty, to serve the healthcare needs of the region, for innovation and entrepreneurship, to expand our community outreach, and to secure the long-term future of the university. We have also received \$56 million as grants through our Office of Grants and Contracts bringing the total as of June 30, 2019 to \$543 million. We need far more than \$650 million to ensure that our university can continue to Lead, Innovate, and Serve. We will need also your continued enthusiastic participation. We look to our extraordinary AUB community of alumni, friends, and like-minded citizens to effect positive change in this world together.

Thank you for your support.

## BOLDLY AUB:

### *The Campaign to Lead, Innovate, and Serve*

AUB launched the BOLDLY AUB campaign in January 2017. In the speech that he made on that occasion, AUB President Fadlo R. Khuri spoke about the ways that AUB “is special, different.” He noted that this was something that we feel “instinctively, as we walk through Main Gate, as we enter our spectacular sea-framed campus. We know it from the influence we have had on the world around us, from the great leaders who have emerged out of our classrooms, the excellence of our academics and medical staff, and the groundbreaking research they carry out.”

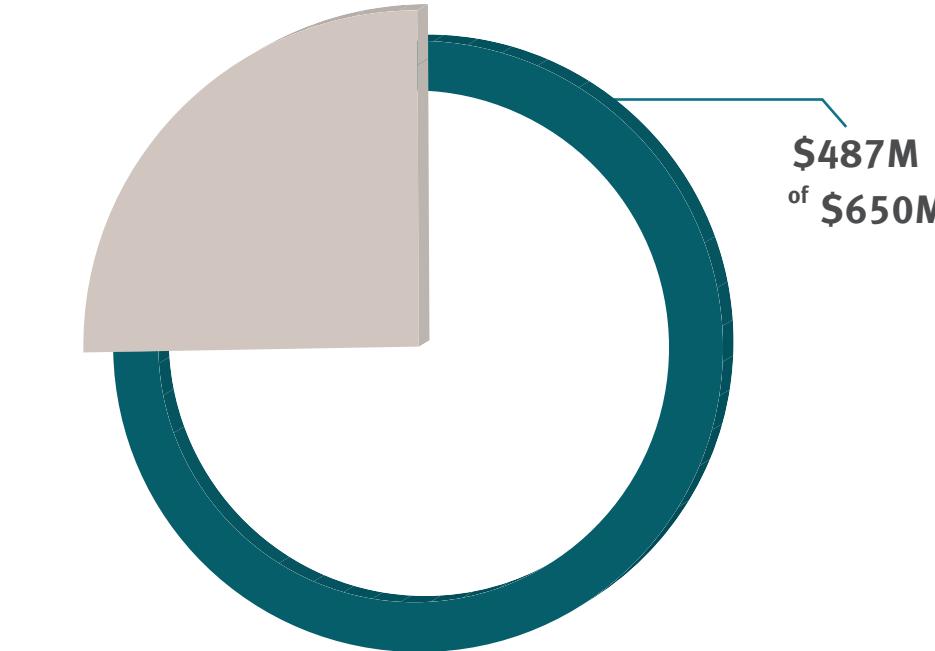

Since it was launched more than two-and-a-half years ago, the BOLDLY AUB campaign has attracted support from 14,906 donors who have contributed

\$487 million as of June 30, 2019. The impact of their contributions can be seen throughout our campus—in new and renovated facilities; an expanding financial aid program that is enabling even more students to receive an AUB education; the availability of increased funding for faculty and student research; and greater participation with local communities. We need your continued support and participation to reach—and surpass—our goal of \$650 million and so that we can continue to Lead, Innovate, and Serve the people of Lebanon and the region for generations to come.

## AUB'S INAUGURAL GIVING DAY

Rank	Faculty

On December 3, 2018, AUB organized its first Giving Day to increase participation from AUB alumni and friends worldwide in support of the university's priorities. The campaign was held on AUB's Founders Day, the occasion each year when the university remembers the visionaries who established the college that became AUB more than 150 years ago.

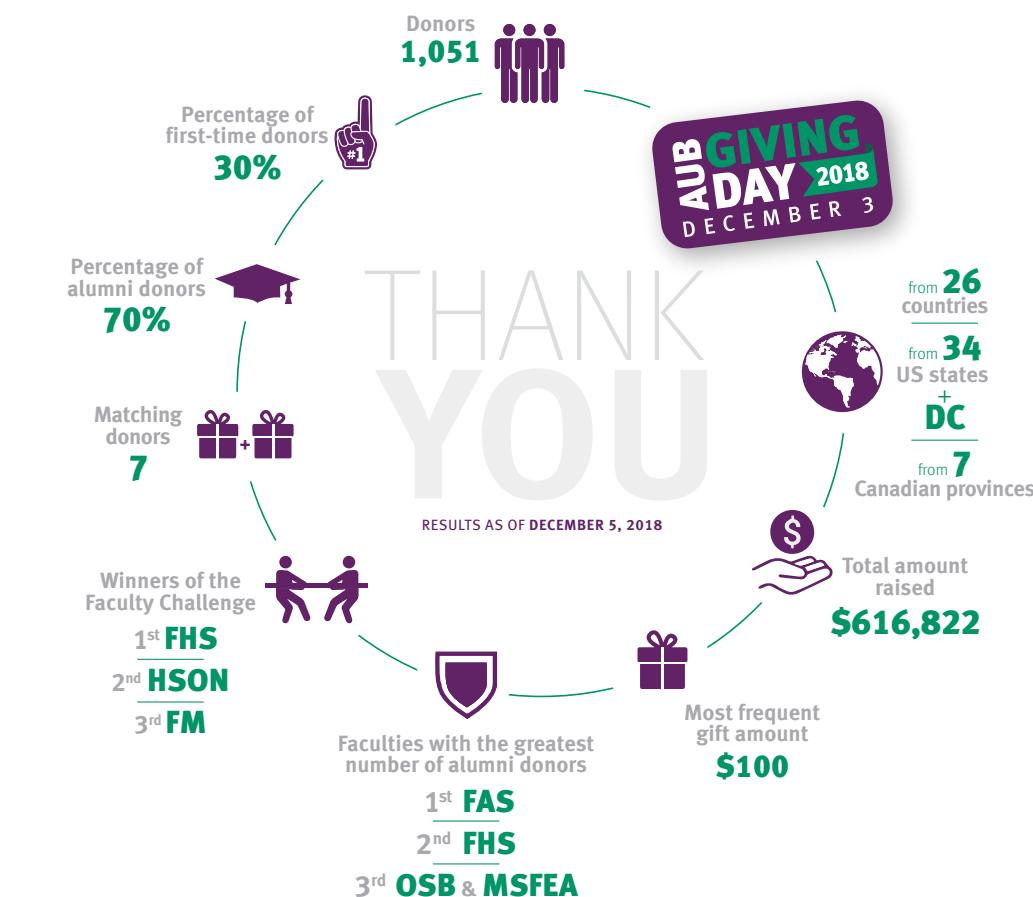

The initial goal was to attract 250 donors, secure five \$10,000 matching-gift challenge donations, and raise \$50,000 for a total of \$100,000 in one 34-hour day. Giving Day was a great success: 1,051 donors from 26 countries (from as far away as Angola, Mexico, and Vietnam), 34 US states (and DC), and 7 Canadian provinces contributed \$661,822 far surpassing the original targets. Especially noteworthy was that 70 percent of donors were alumni. Additionally, 30 percent of Giving Day contributors were first-time donors.

Seven generous donors made matching gifts to support Giving Day: Mazen Dajani (BBA '59, MA '69), Trustee Nabil Habayeb (former

student 1977-79), Trustee Emeritus Hisham Jaroudi (BAR '66), Trustee Emerita Ann Z. Kerr-Adams, Trustee Maher Mikati (BBA '01) and Dana Mikati (BBA '02), and Trustee D. Scott Wise. Abdallah Darwiche (BEN '75) matched all gifts up to \$10,000 from first-time donors two-for-one.

The Faculty of Health Sciences won the Faculty Challenge, a healthy competition between alumni worldwide to encourage graduates to make a gift to AUB on Giving Day as a way of demonstrating support for their faculty, securing the highest percentage of alumni participation. The Faculty of Arts and Sciences secured the largest number of alumni donors.

"AUBites across the world came together on Giving Day—as we knew they would," said President Fadlo R. Khuri. "So too did our matching donors who gave so generously. This was a terrific day for AUB and a powerful demonstration of the loyalty people feel for this great university." A new AUB tradition was born.

Supply, a stunning lecture performance by AUB's Theater Initiative, in collaboration with the Center for Arts and Humanities, focused on the stories of trafficked women.

Another activity that benefited from the participation of the President's Club was AUB Home to the Smallest, a wonderful event that AUBotanic organized to highlight the importance of insects. President's Club member Randa Assaf Halabi was a member of the jury that selected the winners of the Ladybug Hotel Competition. The club also provided funds for the cash prizes.

The Bench Campaign, one of the club's most successful fundraising initiatives, continues to attract support. Donors have so far adopted 116 benches on the AUB campus. There are still 15 benches available for adoption. All proceeds are used to enhance student life at AUB.

Rocket Team; purchasing and installing critical equipment for the Department of Fine Arts and Art History photography lab; funding the AUB Choir and Choir Society; supporting the Share the Flag project, which set a Guinness World Record for the largest notebook mosaic of any flag in the world; and sponsoring the International Student Design Competition that the AUB Botanic Garden Committee (AUBotanic) organized in June 2018 to propose a new look for the Ada Dodge Garden on campus.

At the club's annual gala dinner on September 27, 2018, President Fadlo R. Khuri praised the President's Club "for its outstanding service and generosity towards AUB." He noted that the club, which was established in 1981, "was conceived in the darkest times to help the institution withstand its toughest challenges during the Lebanese civil war. You and your forebears are those that kept the faith, whose appreciation of AUB's educational role remained strong, and whose determination that it must survive and thrive has never wavered."

The appreciation of the members of the President's Club for AUB's educational role can be seen in the many activities that it organized, participated in, and supported in 2018-19. The goal, as always, was to enhance student life at AUB. The President's Club, for example, made generous donations to purchase a sound system for Assembly Hall, renovate the undergraduate and graduate lounges in the Chemistry Department, and support the AUB Choir and Choral Society and the Zaki Nassif Arabic Music Ensemble. The club also supported No Demand No

Women's Auxiliary volunteers organize many activities throughout the year and volunteer their time and expertise to support the coffee shop, hospital, and Bargain Box at the AUB Medical Center (AUBMC). Their goal is to raise money for patients in need and to promote the nursing profession. Each year, the auxiliary grants two scholarships and ten awards to exceptional nursing students. In addition, the Women's Auxiliary also grants awards each year for the best registered nurse and the best practical nurse at AUBMC.

The Women's Auxiliary organized a number of activities in 2018-19 including a Christmas lunch at Le Maillon restaurant; a trip to Ghalboun to visit the Makam Museum of Cesar Nammour; a trip to Tripoli to visit the Nabu Museum and Tripoli fair; a tea celebrating the career of Mrs. Zilda Deeb, who received a medal marking the occasion; and the annual Toy Tea Party. The tea party, which took place in West Hall, honored nursing students and nurses who had been selected to receive scholarships and awards. The many friends and family members in attendance enjoyed a program organized by the Russian Cultural Center that featured performances by two opera singers.

Scholarships are, as President Fadlo R. Khuri has noted, “the key to AUB’s continuing role as an inclusive and accessible difference maker in Lebanon and in the region.” AUB is committed to ensuring that no qualified student is denied an AUB education because of insufficient financial resources. Raising funds for scholarships is the mission of the AUB Scholarship Fundraising Committee.

The committee was formed originally as the College Hall Fundraising Committee to raise money to rebuild College Hall, which was bombed on November 8, 1991. That original campaign was successful raising almost \$20 million. College Hall was rededicated in July 1999.

The current committee is chaired by Mohammad Shatila and includes prominent alumni and friends of AUB who fundraise for AUB’s financial aid program.

For the last 38 years, the Society of the Friends of the AUB Museum, which now counts 268 members, has been spreading knowledge of Lebanese and Near Eastern heritage. It does this by organizing and sponsoring various activities and events throughout the year.

During 2018-19, the society organized several activities including a gallery talk and six public lectures by international and local scholars. The society was the beneficiary of the revenue of a screening of the film "Oman the Treasure of Mudhmar" during the Beirut Art Film Festival (BAFF). The Children's Program, which is organized by an all-volunteer committee and is enormously popular, was also busy with activities including Design your Museum Showcase, Christmas Traditions, Make your Own Mosaics, and Build Traditional Lebanese Houses.

The society also organized a trip to Southeast Turkey (May 5-12, 2019) and an excursion to Enfeh, Nabu Museum, and the Tripoli Fair Exhibition in Lebanon.

Thanks to the efforts of the Society Executive Committee officers, the museum shop is thriving, attracting more customers each year. The shop offers a rich, diverse, and creative selection of items. Whether you're looking for a gift for a special occasion or just a small memento of your visit to the museum, you're sure to find what you're looking for at the museum shop.

Memberships and several of the activities described above help to support and enhance the museum. You can read more about the museum and its activities in the very attractive newsletter, which the society publishes twice a year, on the museum's website

Since its founding in December 2004, the Zaki Nassif Program for Music (ZNPM) has worked to preserve the musical heritage not just of Zaki Nassif, but of many other legendary artists as well. The program also organizes competitions, concerts, conferences, and seminars to promote this wonderful music to current generations.

ZNPM concerts always attract large and enthusiastic audiences. Some of the highlights in 2018-19 were “Bridging for Partnerships” on October 21, 2018, “Oud’s Variations” on November 12, 2018, “Bridging Traditions” on February 20, 2019, “Le Choeur Voyageur” concert on February 25, 2019, “Lebanese Tunes” on April 5, 2019, and “Beatle Mania, Abba Nostalgia” on May 2, 2019. Two highly-anticipated ZNPM activities that take place each year are the Zaki Nassif Music Festival and “A Choir from every School,” a nationwide school choir competition that attracts enthusiastic and talented participants from throughout Lebanon. 2018-19 was no exception.

“Remembering and Discovering” is the theme of Zaki Nassif Program’s annual festival. This year it included events at AUB and at locations throughout Lebanon. The Program’s Ensemble for Arabic Music performed a sequence of concerts: “Oriental Breezes” on January 30, 2019, with guest star Jihad Akl; “Their Art is to Stay,” in Masrah Al Madina on March 13, 2019; and “Saida hails our heritage” in Ishbilie’s Theater of Saida on June 7, 2019. In addition, 30 schools competed in the 2019 School Choir Competition that took place on March 29 and May 3, 2019 in AUB’s Assembly Hall. The gold prize was awarded to Collège des Soeurs du Rosaire, Mountazah; silver went to Al-Qualaa Secondary School in Saida; the Armenian Evangelical Central High School in Achrafieh and Collège Patriarcal in Raboué shared the bronze.

Another highlight for the ZNPM, which seeks to promote music education and programs at AUB, was the launch of a diploma program in Arabic and Oriental Music Studies by AUB’s Continuing Education Center.

The Zaki Nassif Archives at Jafet Library have grown tremendously over the years and are an invaluable resource for music researchers and students who are interested in Lebanon’s musical heritage. The collection, however, is not complete: only about 350 recordings out of a total of 1,100 have been collected so far. The ZNMP is making every effort to secure copies of all known Zaki Nassif recordings.

The Brave Heart Fund (BHF) at the American University of Beirut Medical Center (AUBMC) was established in November 2003. It raises money to help cover the medical and/or surgical expenses for underprivileged children suffering from Congenital Heart Disease (CHD) who are receiving treatment at AUBMC's Children's Heart Center (CHC).

BHF organizes awareness and fundraising activities throughout the year to raise funds so that it can provide financial assistance to as many children as possible. Brave Heart Goodwill Ambassador and acclaimed DJ, Rodge, hosted two successful 80s-themed evenings at B018, on September 14, 2018, and again on June 23, 2019. Some of those on the dance floor in September were among the more than 1,500 runners who took part in the annual BLOM Bank Beirut Marathon on November 11<sup>th</sup> on behalf of BHF. There were several activities in December: an entertainment-packed gala evening at the Seaside Pavilion on December 8<sup>th</sup> featuring an auction, tombola, and a very special champagne raffle that attracted more than 550 influencers, celebrities, and major community figures; and a Christmas celebration at AUBMC on December 14<sup>th</sup> with Secret Santa gifts and assorted chocolates for sale.

Brave Heart launched its annual awareness campaign at a press conference on February 21, 2019, showcasing the scars beneath the shirts of children, some now young adults, who were touched by a congenital heart defect. The multimedia campaign, which included a TV Infomercial, radio spots, outdoor panels, print advertisements, and social media posts, ran through the end of March. Another activity this past spring was the sale of spring blooms and Easter sweets at Souk el Tayeb on April 13, 2019, to benefit BHF.

The Brave Heart Fund again worked with local schools, including College Protestant Français, the International School of Choueifat (Adma and Choueifat branches), LWIS City International School, and Greenfield College, on My Health Playbook, a trivia challenge/booklet designed with AUB public health professionals. This wonderful initiative teaches children about human biology and health in general while at the same time educating them about the importance of fundraising for those less fortunate.

Ramadan was a month of giving and helping. An online crowdfunding campaign was organized on Zoomaal to raise funds for Ali, an 11-year-old Lebanese-Egyptian boy in urgent need of open-heart surgery. Ali's surgery was fully funded, and his operation was successful; he went home with a healthy heart. Thirty-three restaurants participated in the 3rd edition of "Food for the Heart," a wonderful campaign in which participating restaurants donated 10 percent of the proceeds they earned on June 21 and 22, 2019.

Brave Heart friends and supporters also organized many events and collaborations throughout the year to benefit this great initiative: the Beirut Art Film Festival donated all of the proceeds from the screening of the amazing documentary, "The Price of Everything," on November 23, 2018; Lebanese American University marketing students organized a bake sale on campus in December 2018 and donated all proceeds to BHF; Stoked again made donations to BHF instead of end-of-year corporate gifts; In Action Events Founder Cynthia Warde organized and hosted a Mother's Day brunch to benefit BHF; on March 20, 2019, 150 mothers and daughters enjoyed a unique catering and design experience, also to benefit BHF; Lebanese International University pharmacy students organized a bake sale, to benefit BHF; preschoolers from LWIS-CIS brought gifts for underprivileged children diagnosed with CHD and sang a song to express their support for Brave Heart; the Phoenicia Hotel held a silent charity auction for two origami pieces in June to benefit the Brave Heart Fund; the Brave Dad Fund, which was launched by children in memory of Nagi Kanafani to support Brave Heart, organized a bake sale at Souk El Tayeb on June 8, 2019, sold bracelets, and collected donations from family and friends—all to benefit BHF; Mazen Moadem and Soraya El Baba organized the "Live your Dream" concert featuring Jihad Akl and Marc Readdy at AUB's Assembly Hall on June 14, 2019; Lea K Leia Khalaf, a jeweler and parent of a child who was treated for CHD at AUBMC, created a line of bracelets named "Bracelets of Hope" exclusively for Brave Heart, and donated part of the proceeds to help underprivileged children born with heart defects; and Melissa Bakhos designed a T-shirt, exclusively for Brave Heart, and donated part of the proceeds.

The Neonate Fund was established in 2011 by five mothers who wanted to provide financial assistance to families with newborns in need of specialized medical care at the Neonatal Intensive Care Unit (NICU) at the AUB Medical Center (AUBMC).

Sparkling stars lit up the sky during an enchanting night at BIEL on January 24, 2019—all in honor of premature newborns. More than 700 dignitaries, donors, and friends attended the extraordinary fundraising gala dinner featuring Maya Diab. Mrs. Rada Sawwaf opened the event with a speech noting that the Neonate Fund, together with AUBMC and the Neonatal Intensive Care Unit, had provided intensive medical care and treatment for hundreds of babies since 2011. Dr. Khalid Yunis, head of the Neonatal Intensive Care Unit, emphasized how important it was that the NICU had an integrated and specialized medical team in addition to the latest technologies and medical equipment.

In 2019, the Neonate Fund scored an exceptional performance at the SARADAR BANK Women's Race by being the highest participating NGO among 234 NGO partners.

The Neonate Fund is affiliated with the AUBMC Neonatal Intensive Care Unit; Dr. Khalid Yunis, Director.

The Lebanese Breast Cancer Foundation (LBCF) was established in January 2011 by Dr. Nagi El Saghir and a group of committed breast cancer survivors and volunteers to raise awareness about breast cancer, promote early detection, and to provide financial assistance to underprivileged breast cancer patients so they can receive the treatment they need.

LBCF organizes a number of events and sponsors initiatives throughout the year to raise awareness of the importance of screening for early detection of breast cancer. The #nodrama t-shirt campaign highlighted the importance of supporting breast cancer patients. LBCF also organized the following workshops: patient empowerment (metastatic breast cancer); the Educational Meeting Medical and Nursing Oncology Symposium; and the Beirut Breast Cancer Conference (NGO workshop). Other initiatives were Heart Pillow, the BLOM Beirut Marathon, and the Mother's Day Cake and Flower Sale.

Doctors, nurses, survivors, and friends all volunteered and gave community lectures at businesses, universities and schools, shopping malls, and at other locations throughout Lebanon to promote awareness.

The Lebanese Breast Cancer Foundation is affiliated with the Breast Cancer Center of Excellence at the Naeef K. Basile Cancer Institute at AUBMC; Dr. Nagi El Saghir, Director. The Office of Development liaison is Mariam Sabbah Mardini, Associate Director of Development.

The Friends of MS at AUBMC was established in February 2012. It is a group of committed volunteers that supports the Nehme and Therese Tohme Multiple Sclerosis Center at the AUB Medical Center. They raise money for patient care, for activities to raise awareness of MS, and for research at the center.

Among the most important activities that the Friends of MS organizes each year is the annual fundraising brunch. The 7<sup>th</sup> annual fundraising brunch took place on March 23, 2019, at the Four Seasons Hotel and was attended by AUB President Fadlo R. Khuri along with a number of other prominent officials, physicians, artists, public figures, social activists, and members of the press. Friends of MS members also participated in the BLOM Beirut Marathon; "Women and MS" Day for MS patients and their families; MS Patient Day tackling stress management; and raised awareness about MS by participating in sports activities like basketball games (Riyadh).

Another highlight of 2018-19 was the debut of a new MS ad and documentary about the Nehme and Therese Tohme Multiple Sclerosis Center, which was featured locally on a number of occasions. The Friends of MS also supported drama therapy and the first streaming of "100Meters" with Zeina Daccache and maintained an active presence on social media.

The Friends of MS is affiliated with the Nehme and Therese Tohme Multiple Sclerosis Center at the AUB Medical Center; Dr. Samia Khoury, Director. The Office of Development liaison is Mariam Sabbah Mardini, Associate Director of Development.

The OpenMinds Fund was established in July 2013 by a group of concerned parents and friends to assist children with special needs. It supports the activities of the AUBMC Special Kids Clinic.

OpenMinds has spearheaded numerous awareness projects targeting schools, the media, and the public; organized conferences at AUB; and supported locally relevant research projects conducted by the Boustany teams at the AUBMC Special Kids Clinic and the Neurogenetics Program.

In 2018-19, OpenMinds worked with 12 schools throughout Lebanon to create programs for children with special needs, equip existing special needs educational services, and fund one-three-year training programs for teachers of children with special needs.

The annual OpenMinds gala took place at 01NE on April 2, 2019.

The Focus Fund was established in 2016 to support child mental health at the AUB Medical Center (AUBMC). It supports a number of activities to promote child mental health including treatment at the AUBMC Division of Child and Adolescent Psychiatry for mental health conditions including intellectual disability (ID), attention deficit hyperactivity disorder (ADHD), autism spectrum disorder (ASD), anxiety disorders, depression, eating disorders, and learning disorders (LD). 2018-19 was an especially busy year with a number of fundraising initiatives including card sales, art donations, the Jouet Club campaign, film screenings of Mary Poppins and Aladdin, the student-led “Get Bowtied for a Cause” initiative, the Caritas art sale, and Family Day at Bustan Zarife.

The Focus Fund also built capacity in this important area by supporting two fellowships for graduates in child psychiatry and an internship in clinical psychology for children and adolescents. The fund also covered part of the salary of a psychotherapist so that she could work with underprivileged children.

One of the Focus Fund’s priorities is to invest in research. It funded the first national mental health survey of children and adolescents and also the Preventive Parenting Program, a research study with the Ministry of Health and nurseries in Beirut to raise awareness. The program includes videos and tutorials for parents.

The Focus Fund organized a number of sessions as part of its Meet the Professional series as follows: From Mommy’s Arms to My First Steps; How I Become Independent, by Dr. Leila Dirani; Social Media, Video Games, and My Child’s Brain, by Dr. Fadi Maalouf; How to Talk to Your Child about Divorce, Illness, and Death, by Joumana Ammar; and Anxiety in Children and the Scary Things They See on the Internet, by Carla Najem.

On May 3, 2019, the Focus Fund, AUBMC’s Department of Psychiatry, and the Ministry of Education and Higher Education organized a workshop and roundtable discussion focusing on what needs to be done to detect, prevent, and respond to bullying in Lebanese schools.

Primary immunodeficiency diseases (PIDs) are a heterogeneous group of genetic disorders in which components of the immune system are missing or are dysfunctional. The frequency of PIDs is high in Lebanon, suspected to be one of the highest in the world, due to the widespread tradition of consanguineous marriages that favor the segregation of diseases within the same family. Untreated or inadequately treated PIDs can be fatal. The less severe forms of PID can lead to chronic illnesses due to recurrent infections, autoimmune diseases, and (sometimes) malignancies. The iFight PID Fund is a volunteer initiative that was established in 2017 to benefit children at the AUB Medical Center who have been diagnosed with PIDs.

The fund organized a stunning musical performance at AUB's Assembly Hall on October 18, 2018, featuring guitarist Ayman Jarnour and flutist Jinan Jaffal. In March 2019, AlWalid el Hallani took first prize in Celebrity Duets on behalf of the iFight PID Fund.

The Cancer Support Fund (CSF) is a charitable initiative at the Adult Cancer Institute at the American University of Beirut Medical Center (AUBMC). CSF was launched in March 2018 in response to a pressing need in the region where cancer rates are on the rise and patients lack a comprehensive support system that will assist them throughout their medical treatment journeys. CSF is dedicated to increasing public awareness of cancer while providing financial assistance, emotional support, and advice to patients who need help.

CSF organizes activities throughout the year to raise funds so that it can provide financial assistance to as many patients as possible. The inaugural CSF benefit dinner was held on June 12, 2019, at La Residences des Pins. It was attended by more than 800 dignitaries and guests who gathered to express their support for adult cancer patients. Another highlight of this past year was the celebration on World Cancer Day (February 4, 2019). CSF participated in the global Union for International Cancer Control (UICC) campaign against cancer by bathing the Halim and Aida Daniel Academic and Clinical Center (Daniel ACC) in blue and orange light thereby raising awareness about cancer prevention and screening about cancer. In addition to providing financial assistance, CSF volunteers also provide emotional support for adult cancer patients. During Ramadan, for example, volunteers visited patients and distributed Ramadan favors.

The Cancer Support Fund is affiliated with the AUBMC Adult Cancer Institute; Dr. Ali Taher, Director, Naef K. Basile Cancer Institute. The Office of Development liaisons are Walid Katergi, Associate Vice President for Development, and Nada Charara, Associate Director of Development. [WWW.CSF-LEBANON.ORG](http://WWW.CSF-LEBANON.ORG)

The Sickle Cell Needy Patients Fund was established in 2012 by a group of committed volunteers, donors, doctors, and healthcare providers to raise funds so that financially disadvantaged patients can benefit from state-of-the-art care.

The fund organized a gala dinner at Iris in Beirut on September 3, 2018. On May 2, 2019, HE Ambassador Rami Mortada hosted a fundraising dinner for the Sickle Cell Needy Patients Fund at the Lebanese Embassy in London.

The Sickle Cell Needy Patients Fund is affiliated with the AUBMC Department of Pediatrics and Adolescent Medicine; Dr. Miguel Abboud, Department Chairman. The Office of Development liaison is Walid Katergi, Associate Vice President for Development.

## FINGERPRINTS

Almost 60 percent of the Class of 2019 made gifts to the Fingerprints Endowed Scholarship Fund in 2019 contributing over \$23,000. These students join the ranks of over 14,800 graduating AUB students who have donated at least \$25 to support Fingerprints since the fund was established in 2002. Proceeds from this endowed scholarship fund, which is now valued at over \$2 million, have provided invaluable financial assistance to 284 AUB students so far.

From its inception in 2002 until 2012, the late Kamal Shair (former student), Ali Ghandour (former student), Farouk Jabre (BA '58), Omar Alfardan, and Randa Haffar (BA '90), all AUB trustees, provided generous support for Fingerprints with critical two-for-one matches for every dollar donated by graduating students. In 2019, Trustee Fouad

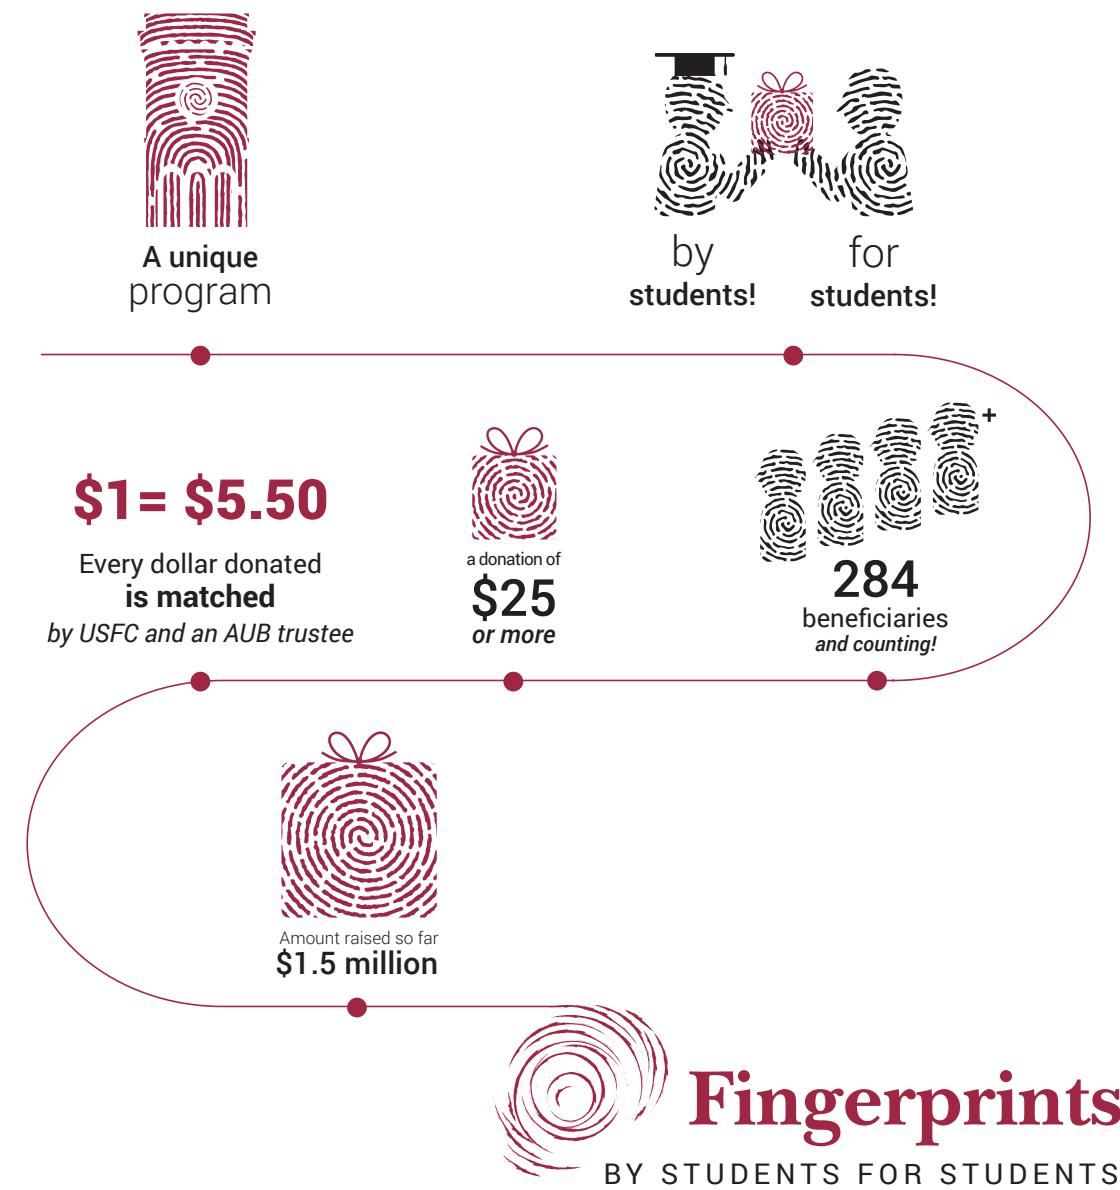

Es-Said (BA '96) made a three-year commitment to match every dollar raised 2:1 through 2021. The USFC, which has provided important matching support for Fingerprints over the years, offered an unprecedented match in 2019: \$2.50 for every dollar contributed by an AUB student.

The Fingerprints program benefitted from additional invaluable support from an industrious team of student ambassadors led by USFC VP Ali Zayour and Kamel Wehbe who encouraged students to make a contribution to Fingerprints.

In his welcoming remarks at the annual Fingerprints reception on May 24 at Marquand House on campus, President Fadlo R. Khuri noted, "the word philanthropy in the Greek means a love of humanity, but more than trying to alleviate the pain of human

suffering, the practice of philanthropy seeks to address the deepest causes of humanity's ills. That impulse was also built into the Syrian Protestant College, now AUB, from the beginning, and continues to resonate in our medical center,

dormitories, classrooms, and across the paths and green spaces where our students congregate today." He continued, "I can't think of a better example of the power of philanthropy than Fingerprints."

## PARENT PROGRAM

Parents have a special relationship to any university where their children are students. The fact that many AUB parents—and grandparents—are also AUB alumni is a great source of pride for our university.

Parents support their children in many ways. Some parents are able and also want to do more to benefit their children's university and become generous donors. Their gifts provide essential funding for AUB's scholarship program, research laboratories, extracurricular activities on campus, and capital projects.

We salute our parent contributors—especially those (highlighted in the list below) who have made gifts in each of the last three years.

*Thank you!*

## CLASS REUNION 2019

A record number of almost 4,000 AUB alumni, family, and friends traveled to campus to participate in Reunion 2019 activities on June 26-29. For some, it was just a short trip across town. Many others, however, came from long distances including North America.

Alumni and friends also participated in Reunion 2019 by contributing to the Class Reunion Endowed Scholarship Fund, which is currently valued at more than half a million dollars. Among the 40 alumni who contributed during Reunion 2019 were 14 first-time donors. A portion of the money contributed by the 12 Reunion 2019 sponsors—including three that had never sponsored an AUB event before—was also designated to support this scholarship fund.

Reunion 2019 featured sold-out concerts, informal social gatherings, lots of good food, and—most importantly—many opportunities to catch up with old friends and reconnect with AUB. The festivities began with a memorable concert attended by more than 1,350 people on June 26 on AUB's Green Oval by renowned musician, composer, and pianist Guy Manoukian, accompanied by his musicians and singers.

More than 300 people attended the Honoring Ceremony in Assembly Hall on June 27 to celebrate with alumni who graduated more than 55 years, 50 years (class of 1969), and 25 years (class of 1994) ago. The members of the class of MD 1989 and class of 2009, celebrating their 30<sup>th</sup> and 10<sup>th</sup> anniversaries respectively, were also honored this year. It was a very special event for many participants including AUB President Fadlo R. Khuri: “I am especially proud to stand before you today not just as the president of AUB, but also as the son, son-in-law, and nephew of three extraordinary women who are among the alumni we are honoring today,” he said.

In her welcoming remarks, AVP Salma Oueida thanked everyone “for your keen participation as well as the support you have always given to your alma mater.” She urged alumni to “reach out and connect” with the growing number of alumni chapters around the world and reminded everyone that the Office of Alumni Relations is “here for you—no matter where you live.”

Hisham Jaroudi (BAR ’66), trustee emeritus, former alumni trustee (2015-18), former interim president of WAAAUB (2017-19), and current president of AAA, spoke about his pride at being a graduate “of this great university” and of how grateful he was “to those who gave us this chance, and to the institution that never stopped promoting us as alumni as we spread our wings to the four corners of the world.” Jaroudi urged alumni “of all ages” to support their alma mater. A generous philanthropist himself, he said, “The more I give, the prouder I become knowing that I am one of many who are supporting our alma mater, this hub of knowledge in the Middle East.”

Interim WAAAUB President Nagi F. Khouri (MD '71), who is the Carol Ann Flanagan Professor in Breast Imaging and associate professor of radiology and oncology at the Johns Hopkins University School of Medicine, spoke of the many ways that AUB alumni support their alma mater: "first as donors to BOLDLY AUB: The Campaign to Lead, Innovate, and Serve, but also as mentors for AUB students, to help them find training and recruitment opportunities."

Speaking on behalf of the Class of 1969, Faysal M. El-Khalil (BA '69), who is chairman of the executive committee of the board of directors of Continental Beverages SAL (Offshore) Lebanon, reminisced about some of the events that had taken place in 1969 making it "a turning point that shaped my life significantly." El-Khalil spoke eloquently about what he had learned as an AUB student about "accepting responsibility, leadership, and how to positively influence others."

Carla Habib Mourad (BS '91, MS '94), a nutritionist, dietitian, published author, and a lecturer at the Department of Nutrition and Food Sciences at AUB, spoke on behalf the Class of 1994. She too reflected on the enduring impact of her time on campus saying that it was at AUB that she had learned "how to overcome obstacles through perseverance." She went on to say that AUB had given her a home, "a place where I could feel comfortable, a place that did its best to point me in the right direction on my journey to adulthood."

Later that evening, there was an alumni party at the Green Oval where graduates along with their friends and family relaxed, danced, and listened to music.

The dinner party on June 28<sup>th</sup> was held at the Shelter Venue, Old Chevrolet, Hazmieh, a stunning location that had been renovated and decorated especially for the occasion. The more than 400 attendees enjoyed music by Lebanese artist Joseph Attieh, freshly prepared Lebanese dishes, and a night to remember. An enthusiastic group met early Saturday morning to participate in the final Reunion 2019 activity: a trip to Jezzine, organized with AUB's Nature Conservation Center.

Planning for Reunion 2020 has already begun!

## 1866 SOCIETY

The 1866 Society celebrates AUB's most loyal supporters—those who have made a gift to the university of any amount in at least seven of the last ten years. The society, which was named for the year that the university was founded, now includes almost 1,000 alumni, parents, faculty, staff, and friends. 1866 Society members receive a recognition pin when they reach certain milestones: a bronze pin for 7 years of support; silver for 10 years; gold for 15 years; and platinum for members who have contributed for 21 or more years.

President Fadlo R. Khuri and Dr. Lamya Tannous hosted two receptions at the Byblos Bank Art Gallery on campus for 1866 Society members in 2018-19: on November 27 (for faculty and staff) and December 4 (for donors).

## SCHOLARSHIPS AND FINANCIAL AID

Since AUB was founded, donations from individuals, businesses, foundations, and governments have funded scholarships for tens of thousands of students. In the words of President Fadlo R. Khuri, scholarships are “the key to AUB’s continuing role as an inclusive and accessible difference maker in Lebanon and in the region.”

In 2018-19, 1,659 donors made gifts totaling \$11 million to establish new, and support existing, named scholarships. These funds, the university’s institutional commitment of \$36 million, and foundation and US government grants totaling \$14 million brought the total awarded in financial assistance to AUB students in 2018-19 to \$61 million.

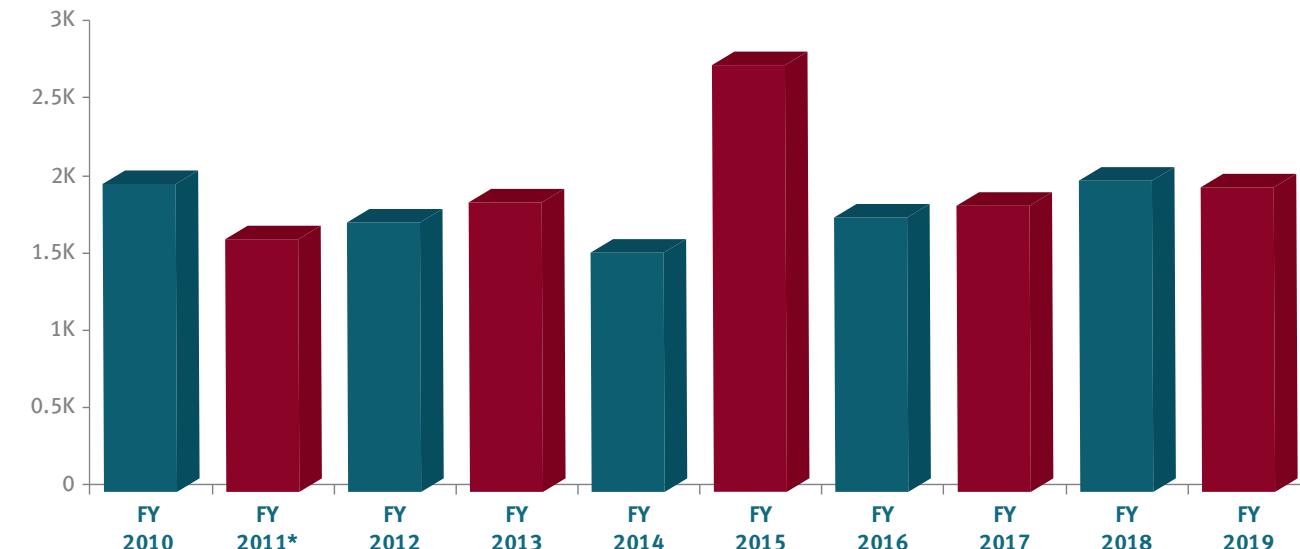

The number of AUB students receiving financial aid has grown steadily in recent years. Almost 60

percent of AUB students received some type of financial assistance in 2018-19 ranging from awards to offset part of the cost of tuition to scholarships that cover the full cost of tuition and related university expenses, accommodation, and a stipend.

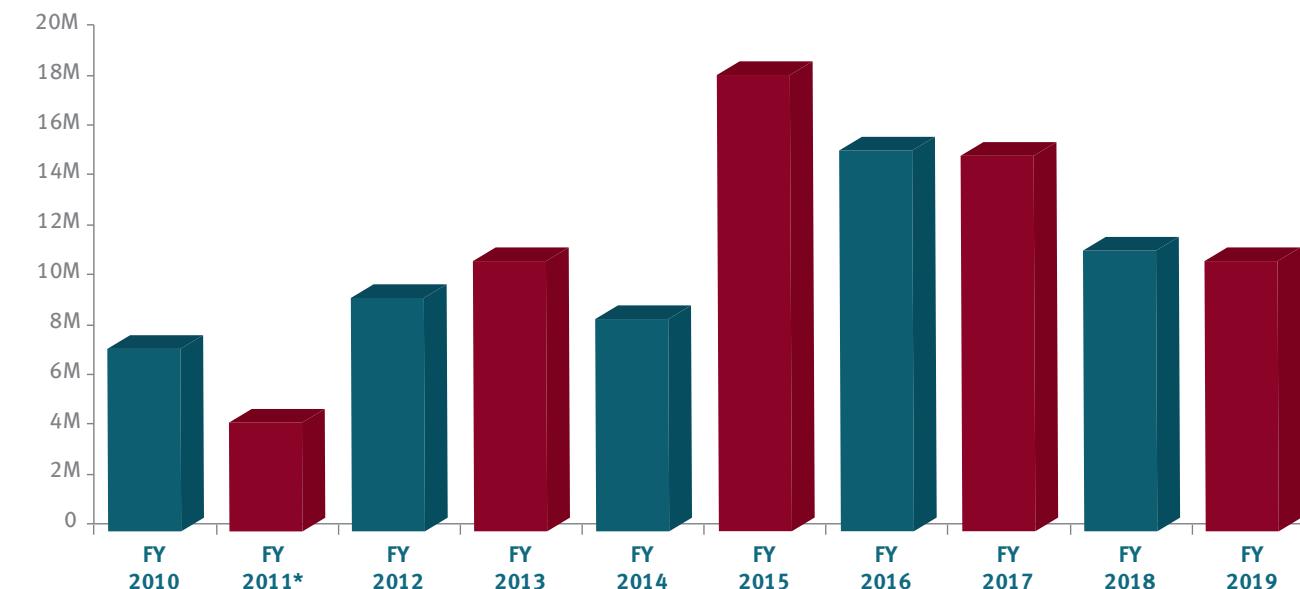

AUB is proud of the role it has played in educating generations of young men and women. We believe, however, that we can—and we must—play an even larger role in the years to come by providing an AUB education to an even greater number of students at the finest university in the Arab world. One of the priorities of our current fundraising campaign, BOLDLY AUB: The Campaign to Lead, Innovate, and Serve, is to raise \$100 million for financial aid. The need is much greater than even this ambitious target and so raising money for financial aid will continue to be one of AUB’s top priorities for many years to come.

The mission of the Worldwide Alumni Association of the American University of Beirut (WAAAUB) is to strengthen ties between AUB and its alumni and to engage and support alumni in advancing and supporting the educational, research, and service mission of the university. WAAAUB works to bring the alumni community together to foster meaningful connections, to share and learn from each other, and to preserve and promote the educational mission and rich heritage and values of the university. There are now 63 alumni chapters, groups, and associations in 24 countries around the world.
