On the occasion of the launch
of the CAMS Partial Differential
Equations Research Unit

WORKSHOP ON PARTIAL DIFFERENTIAL EQUATIONS

January 23–24, 2026

Asfari Institute Conference Hall

FOUNDING MEMBERS AND ORGANIZERS

**AYMAN KACHMAR, NABIL NASSIF,
AND RAAFAT TALHOUK**

This two-day workshop marks the launch of the CAMS PDE Research Unit. It aims to bring together the community of researchers in partial differential equations within Lebanon, along with international collaborators.

The event will serve as a platform to present recent work, share insights, and foster scientific exchange centered on the themes of theoretical, data-driven, and computational PDEs.
