@aub_fafs

ACADEMIC CONDUCT

- **Rely on your own abilities to learn a subject** and do not cheat while taking a test, or assignment, in class or online.
- **Submit your own original work** - do not contract someone to cheat on your behalf.
- **Acknowledge the source of information you use** when you borrow other people's ideas or expressions to avoid plagiarism.
- **Contribute positively to classes** - do not be disruptive.
- **Be honest about your personal circumstances** when you request from your instructor to miss a class, an exam, or an assignment.
- **Be truthful when submitting documents** - do not forge a signature.
- **Be a reliable teammate** - actively contribute to group assignments and do not take credit if you did not work.
- **Benefit from the university resources** - do not make illegal copies of software or books.
- **Show integrity** - do not bribe anyone, or accept a bribe from anyone.
- **Be committed to learning** - do not sell, steal, or purchase exams and reports.

NON-ACADEMIC CONDUCT

- **Organize or be part of student activities on campus** but do not disrupt classes or functions.
- **Reach out to society and disseminate information** but secure the approval of the Dean of Student Affairs.
- **Safeguard the university resources** by stopping theft or unauthorized use of equipment or services.
- **Protect the university property** - do not engage in vandalism, littering.
- **Care for the university community** - avoid any mental or physical harm to anyone.
- **Contribute to a safe environment** and do not acquire or use dangerous weapons or materials.
- **Express yourself freely** but do not cause serious mental and reputational harm to individuals or the university.
- **Accept diversity** - do not discriminate, or harass anyone because of race, color, religion, age, national or ethnic identity, gender or gender identity, sexual orientation.
- **Cultivate relationships** but be discreet.
- **Keep the university cyber network well guarded** - do not access protected accounts or transmit viruses.
- **Contribute to a safe and effective use of the AUB Libraries.**
