

AMERICAN UNIVERSITY OF BEIRUT

I declare that I am neither a U.S. Resident Alien nor a U.S. Citizen. I understand that a Resident Alien includes a Green Card holder (Lawful Permanent Resident) as well as an individual who satisfies a daycount test called the "substantial presence test." (For further information regarding U.S. Resident Alien status, see <https://www.irs.gov/pub/irs-pdf/p519.pdf>.)

I declare that should I become a U.S. Resident Alien or a U.S. Citizen, I will advise the University promptly of my change in status. I declare that I will notify the University promptly upon being issued a Green Card. I understand that if I do not promptly advise the University about my change in status, I will be responsible for paying all U.S. social security and Medicare taxes and U.S. income taxes due with respect to my compensation, and interest and penalties on all such taxes, if any, attributable to the period between my change of status and my advising the University of such change of status. I agree to indemnify and hold the University harmless from any such taxes, interest and penalties, and I further agree that the University may deduct the amount of such taxes, interest and penalties from my future Compensation, to the extent permitted under applicable law.
